

# COVID19 safety plan

## integrated DESIGN fund p/l

*participation in our activities and entry to premises under our control are on the basis of your acceptance and compliance with the following:*

### **WELLBEING** of staff and visitors

You must not attend if you are unwell, and you may be asked to leave if there appears reasonable cause.

### **PHYSICAL DISTANCING**

Observe marks and instructions that indicate allocations for your activity.

Maintain distance of at least 1.5m from other people and be conscious to minimise your impact, especially during extended periods in the studio.

Respect these distances for our tutors and models.

All payments and records are online. No cash handling or printed material are available.

Please bring your own materials and supplies and remove them on your departure.

### **HYGIENE AND CLEANING**

Use hand-sanitiser as provided and/or your own alcohol-based sanitiser. Avoid contact with surfaces wherever possible.

The premises are cleaned between activities, including door handles, handrails and frequently touched surfaces.

If you have not paid a cleaning fee for use of provided equipment, please do not handle or use such equipment.

Bathrooms are equipped with contactless taps and dryers. Please avoid unnecessary contact.

### **RECORD KEEPING**

Please ensure attendance is recorded. We will keep these records secure and use them only for tracing purposes if/when required by appropriate authorities.

We recommend verifying operation of the COVIDsafe App as you enter the premises.
